Dear Doctors and Providers,

Thank you very much for your service during this pandemic.

Thank you also for taking care of our members who work at the **Mashantucket Pequot Tribal Nation, and Foxwoods Resort Casino.**

As of January 1, 2022, we moved *some of our members* that you have seen in the past to the PHCS Practitioner and Ancillary network as part of our new Pequot Open Plan. All of this information is on the new benefit card provided to the members enrolled in this plan.

Please continue to provide care to these members, collect the copay as before, and submit your claims to us for payment, even if you are not in the PHCS network. You WILL be paid for your medically necessary services to our eligible members at the highest benefit level and in accordance with plan terms. The Pequot Open Plan will provide full and final payment on behalf of its members.

Please note there are plan members who still utilize care through the United Choice PPO network as reflected on their Advantage Plan benefit cards.

We remain a self-funded employer sponsored health plan and commit to pay all of your eligible claims promptly through our MPTN-owned TPA: Pequot Health Care.

Please submit all claims electronically to:
